

AluTruk Piano Dolly With Pneumatic Wheels For Rough Terrain

Product code: PT3

The PT3 piano trolley is one of our stronger units. Its extra heavy duty construction means you can move loads up to 600kg and the pneumatic tyres allow this dolly to work on rough terrain such as gravel or grass. Rubber buffers on each corner protect against damage to property and to aid stability we've fitted solid rubber ribbed tops - this will reduce the risk of slippage. Other features: - Fixed axles for precise control (slow and steady) - Extra heavy-duty construction - Pneumatic tyres - 800kg load capacity* - Wheels held securely by washers & split pins (easily removed if you get a puncture) - [Spare wheel](#) available *The load must be uniformly distributed on the frame. Be careful not to drop your load on to the frame.
